Is the Hunting Island Lighthouse open to visitors again? Read on another site that it was open but not the campground. We are visiting the area Sept.30-Oct. 3.

The only area of the park that is open is the Nature Center. The lighthouse is not open. We are not sure when this area will reopen. Right now it is scheduled to be closed through the end of 2017. All information can be found on our official website at www.SouthCarolinaParks.com. We are not sure what information other non-official sites are providing. Thank you.

Angie, we just received an update that the lighthouse and North Beach Area of Hunting Island State Park will reopen on Oct. 12.
