Katherine,

I think most of these were on the updated list I sent on Friday. I'm re-attaching it in case you didn't receive it. I should have all of the blanks filled in by this afternoon on the one I'm sending. The only one I'm having trouble with is BOMAG. Jennifer is out of the office today but feel free to call me if you have questions.

Thanks,
Morgan

Hey, sorry to email you one more time! Made a lot of progress in the past few hours, I'll be able to get you the Colgate and Google contacts on Monday, along with the rest of our prospect contacts. I can't find anything about John Ueno at FujiFilm and the Project Manager doesn't know who he is, but we have the America contact if you want that.

I appreciate your help.
Can you send me what has been completed from sheet 1? So I can work on their packets this weekend.
Thanks, KV

Subject: Update on Attendee Lists

Katherine,
We are still working very diligently on the lists. I now have our prospects on a separate list and we are populating the contact information.

I do have Morgan working on the lists as I am traveling this weekend and won't be back in the office until Thursday. We keep the file in a secure folder were only a limited number of staff who are assisting with the work can access. Everyone knows this is a working document and in draft form.

We will have list 1 done by close of business on Monday. I've copied Morgan on this email if you have any questions while I'm out.

Thanks,
Jennifer E. Noel
