As an FYI, the Senate Banking Committee voted this morning to favorably report S. 2244, the Terrorism Risk Insurance Program Reauthorization Act of 2014 as amended. The legislation, which was introduced by Senator Charles Schumer (D-NY) will extend the program for seven years.

Please give me some reasoning to pass along to Property Casualty Association Members as to why the Governor is hesitant to sign the letter. They are getting a bit restless on what is a seemingly apolitical issue.
