

FLORENCE COUNTY

Office of Treasurer

Governor Nikki Haley
Office of the Governor
1205 Pendleton Street
Columbia, SC 29201

Dear Governor Haley,

I am writing to recommend the retired Sheriff of Dorchester County, Ray Nash, to serve as the Coroner of Dorchester County until an election can be held to replace the position. I know Ray to be a dedicated and honorable man who has served the public in a caring, honorable, and service oriented manner in all areas of his career.

Ray has also served our nation proudly in Afghanistan for the State Department of the United States in the training of police. Ray Nash is well known by all Countywide Elected Executives of the State of South Carolina, and is held in very high esteem by his colleagues. I serve as the Treasurer/Tax Collector for Florence County, and as the Immediate Past-President of the South Carolina Association of Countywide Elected Executives; and have nothing but the highest of regard for Ray Nash. Ray is a member Emeritus of the SCACEE Association and serves as the Chaplain.

I know Ray Nash would perform in a highly professional and caring fashion as the Coroner of Dorchester County. This is a county he has served for years, and where he is well known and cared for by the people. He is a man you can depend on, and would have an immediate working rapport with the citizens of the area.

Governor, thank you for your commitment to the public of South Carolina, and for your kind consideration of this recommendation.

Respectfully,

Dean C. Fowler, Jr.

Florence County Treasurer/Tax Collector and Immediate Past-President of SCACEE
