Subject: Treated like a common criminal

All:

A disclaimer: I am no harassing or intimidating anyone by no means but seek justice and truth. I am still requesting a response from SCHAC Board regarding certified letters. I also want a status update on my new my complaint regarding treated like a common criminal at the 11/20/2014 SCHAC Board Meeting.

I will call SCHAC later hoping to get a response regarding the same information that have been requested for weeks. Please send a response.
