Hi Chaney,

Can the Gov. join us on New Day this morning any time before 9A? We have a truck on-site and could also take her by phone.

Hi Chaney,

Following up on my vmail. Looping you in with our overnight/control room booking producer, Jose Lesh.

We're covering the terrible breaking news in SC. Is Gov. Haley able to join us between 6-9A on New Day to offer context on the response? Chris Cuomo & Alisyn Camerota anchor.
