Thank you for reaching out to the Bing Maps Inside Sales Team. As the sales team, unfortunately, we are unable to assist you with your feedback on the mapping program. However, if you would please click on the ‘Feedback’ button on the lower right corner of the [www.bing.com](http://www.bing.com) website your comments will be sent to the correct department.

olina

ould seem that some twat programmer made it impossible to remove the large bubble with the address in it from blocking the location is obscured by the only fact you know? Please fix this shit.

s: Other: Trying to look at a house online but can't because it's blocked by a useless fucking irremovable popup of the address.

e: Less than 10000
