

Welcome to the 2014 RBC Heritage.

We are excited to celebrate the 46th anniversary of the tournament. RBC along with our partners the Heritage Classic Foundation, Boeing, the PGA Tour and many other sponsors, are proud to provide an entertaining and memorable event for everyone to enjoy.

From the cannon firing to start the tournament, to the presentation of the Sir William Innes trophy, from the plaid jackets, to the iconic Harbour Town lighthouse, the RBC Heritage is steeped in tradition and celebrations that make this tournament a favorite for players and fans alike. We hope you have the chance to interact with your golf heroes, enjoy walking along the beautiful grounds and take home some terrific memories in the process.

To mark this year's milestone celebration, we have gathered a strong field of PGA TOUR professionals including 2013 champion Graeme McDowell, 2011 champion Brandt Snedeker, and 2010 champion Jim Furyk. They will be joined by fellow Team RBC players Luke Donald, Matt Kuchar, Hunter Mahan and Ernie Els, to name just a few.

In addition to watching the world's top golfers hit amazing drives, overcome difficult shots and sink impossible putts, we encourage you to check out the RBC Fan Experience and participate in some of the interactive activities located within the Heritage Lawn area.

The RBC Heritage is more than just a golf tournament. We know how instrumental it is in supporting the local economy as well as raising funds for community programs and charities in the region, and we want to thank you, our patrons, for your continued support and enthusiasm. It goes without saying that the tournament would not be possible without the unwavering support and commitment of South Carolina Governor Nikki Haley and Hilton Head Mayor Drew Laughlin.

On behalf of the 80,000 RBC employees around the world, we hope you enjoy this week's activities as you watch some of the best players in the world compete for this great championship.

Greetings

Dear Friends,

On behalf of the State of South Carolina, Michael and I are pleased to welcome you to the 46th annual RBC Heritage Presented by Boeing at the Harbour Town Golf Links.

Since 1969, the Heritage Golf Tournament has had a tremendous impact on South Carolina, bringing in over a hundred thousand spectators to the Hilton Head area each year. As its fan base has grown, so has its media coverage, reaching millions of households all over the world and becoming a true source of pride for the Palmetto State. With an annual economic impact of \$82 million, the RBC Heritage Presented by Boeing continues to drive the Lowcountry business community while elevating our statewide economy to new heights each and every year.

In addition to impacting tourism and the economy, the RBC Heritage has proven itself as an invaluable networking venue for local, national, and international business leaders. The natural beauty of the Lowcountry, our famed Southern hospitality, and the excitement of watching the PGA TOUR's finest compete creates an ideal setting and unique opportunity for hosting business prospects and building new business relationships.

From the boardroom to the golf course, the RBC Heritage Presented by Boeing is more than a golf tournament. With partnerships among RBC, Boeing, the Heritage Classic Foundation, many other loyal sponsors, and 1,200 local volunteers, this golf tournament is a prized tradition of the Palmetto State family, showcasing to the world why South Carolina is a great place to live, work, and play.

The RBC Heritage is a premiere example of why every day is a Great Day in South Carolina. God bless.

My very best,

[Handwritten signature of Nikki R. Haley]

The Town of Hilton Head Island Welcomes You

Dear Friends of the RBC Heritage,

Greetings, and welcome to Hilton Head Island! I am honored to have you as our guests and equally honored to play host to one of the greatest traditions and most prestigious tournaments in the game of golf...the RBC Heritage!

When the 46th annual RBC Heritage Presented by Boeing begins, the world will be watching as the top players take on one of the most revered golf courses in the world, selected by the PGA TOUR professionals as one of their favorites... Harbour Town Golf Links.

Title Sponsor, Royal Bank of Canada and Presenting Sponsor, Boeing continue to invest in what has become one of golf's most notable tournaments. We expect this year's tournament to be a great success for RBC and Boeing, and we anticipate 100,000 fans will attend the event. CBS and Golf Channel are televising 15 hours of live coverage.

Not only does the RBC Heritage represent the passion, sportsmanship, and excitement of the game of golf, but the tournament has become one of the most charitable stops on the PGA TOUR. Over the years, more than \$26 million in charitable donations have made a positive impact on area non-profits through the generous support of the Heritage Classic Foundation. These numbers represent the greatest value of the tournament.

We owe a debt to the many people whose hard work and dedication to this tournament not only make it possible, but make it the premier event that it is.

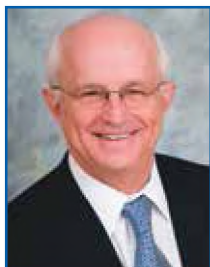

Thank you to the staff of the Heritage Classic Foundation, to the 1,200 volunteers who work throughout tournament week, and to the loyal sponsors who make it happen.

Whether you are a spectator, player, sponsor, or volunteer, we greatly appreciate your participation in this year's RBC Heritage. Enjoy your stay and come back again!

Sincerely,

Drew A. Laughlin, Mayor
Town of Hilton Head Island

The Heritage Classic Foundation

Thank you for attending the 46th annual RBC Heritage Presented by Boeing. As General Tournament Sponsor, the Heritage Classic Foundation serves as the operation and financial oversight group for the RBC Heritage. The Foundation also distributes all charitable funds generated from the tournament. Donations have grown from \$139,000 in 1987 to \$2.1 in 2013 – more than \$26 million in all.

Scholar Program

The Heritage Classic Foundation is proud to award annual Scholar Grants to the area's best high school seniors. All of the students not only achieve superior academic records, but they also demonstrate outstanding leadership in their schools and communities.

Currently, 52 students are receiving grants at an expenditure of \$255,000. A grand total of \$3,148,850 has been awarded to 260 students since the program began in 1993.

Birdies for Charity

Birdies for Charity is a fun way for golf fans to contribute to charity while following the PGA TOUR pros as they play in the RBC Heritage.

Each participating charity will receive every penny of the donations from this program, plus the Heritage Classic Foundation contributes an additional 20% match among the participating charities. Since the program began in 2000, \$4.3 million has been distributed to more than 50 charitable groups.

Heritage Champions Fore Charity

This philanthropic initiative was designed to grow the Heritage Classic Foundation's charitable impact throughout South Carolina. Since it was created in December 2012, it was facilitated more than \$1.8 million to non-profits on the Heritage Classic Foundation's approved charity list.

Membership in the Heritage Champions Fore Charity requires a minimum \$1,000 donation to the Heritage Classic Foundation. Monetary gifts may be directed to an approved charity. That chosen nonprofit will receive an extra 20% from the Heritage Classic Foundation. Donations may also be given to the Heritage Classic Foundation's overall charitable giving plan.

For more information about the Heritage Classic Foundation visit heritageclassicfoundation.com or Facebook (Heritage Classic Foundation).

Don Calhoon
Honorary Chairman
Heritage Classic Foundation

Thank You.

The PGA TOUR thanks everyone who has made it possible to give back more than \$2 billion to local charities all over the country since 1938. When you are a fan, a volunteer or a sponsor of a PGA TOUR event, you change lives. For more information on how to volunteer at your local tournament, go to PGATOUR.COM/Together.

Together, anything's possible.™

WE ALSO LOVE TO DRIVE.

As much as we are known for flying, the RBC Heritage is one occasion where we also love to drive. Boeing is honored to be the local presenting sponsor of RBC Heritage and its proud South Carolina tradition.

Our Pete Dye Golf Course, a three-decade Top 100, sets the tone for our community and proves our commitment to the spirit of golf. A golf experience unlike any other.

Since 1981, Long Cove Club has been a very special place; a masterfully planned setting that seems to have naturally fallen into place. Our nationally ranked golf course, our perfect Hilton Head Island location and our blessings of tidal creeks and marsh are cherished by all those who live here.

Yet behind the superlative golf, outstanding tennis and active marina is the real story of Long Cove Club: the friends and neighbors who support the community's traditions and together create new ones.

From being ranked the 15th Best Residential Course in the country to the beautiful new Clubhouse facility completed in 2014, it's never been a better time to join the Long Cove Club family.

RBC and Golf

Many business deals, partnerships and agreements have been struck while on the golf course. And it seemed only fitting that as one of North America's leading diversified financial services companies, RBC could build client and business relationships through the sport of golf. RBC sees golf as a sponsorship property that perfectly

complements our marketing and business objectives. By leveraging high-profile relationships with the PGA TOUR, Golf Canada, as well as being associated with some of the biggest and most recognizable names in the game, we could build our brand, create unique hosting experiences for our clients and increase RBC's profile internationally. With that strategy in mind, RBC is the title sponsor of the RBC Heritage and the RBC Canadian Open, Canada's National Open Championship. To complement these tournament sponsorships, we also signed on to be the Official Banking and Financial Services partner of touring professionals Brandt Snedeker, Luke Donald, Graeme McDowell, Matt Kuchar, Ernie Els, Hunter Mahan, Jim Furyk, Stephen Ames, Mike Weir, David Hearn, Graham DeLaet and Morgan Pressel.

In partnership with Golf Canada, RBC also supports emerging Canadian golfers through grassroots developmental programming, the Canadian Amateur Golf Championship and high performance national team. By forming strategic partnerships, we believe in building a strong foundation for our amateur athletes to succeed on the world stage. Outside of golf, RBC supports amateur sport from grassroots programs in local communities to national sport associations.

Water, water nearly everywhere says one thing: Take that bold iron shot and make it accurate – or else! In this scenario, the 90-yard bunker is the next best thing to a friend since it could save a slightly off-center tee shot from a watery extension. Still the head or crosswinds, which are the norm on this hole, can easily carry a shot into the lagoon.

Special thanks to our 2014 Heritage Champions Fore Charity Patrons!

The Heritage Classic Foundation has a long history of giving back to people in need across the State of South Carolina. Since it was founded in 1987, more than \$26 million dollars has been donated to charities. The Heritage Champions Fore Charity is a philanthropic initiative designed to encourage year-round support to non-profit organizations. Patron donations receive a 20% match by the Heritage Classic Foundation through the dollars generated by the RBC Heritage Presented by Boeing. In just 14 months of this program more than \$1.8 million has been raised for charities.

CLEMSON TIGERS — WINNERS ON AND OFF THE COURSE

Clemson excels in golf.

Clemson women's golf team is ranked 12th by Golfstat, 13th by Golfweek and 11th in the Coaches' Poll.

The Tiger men have won a National Championship, and the program has had eight top-five national finishes, nine ACC Championships and seven NCAA Regional titles.

Clemson's turfgrass program is top in the nation providing cutting-edge turfgrass research and producing future turfgrass industry leaders and golf course superintendents.

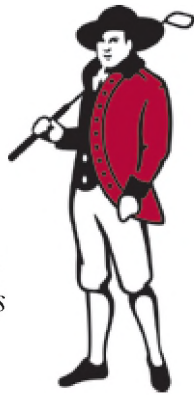

Walker Golf Course has been rated as the ninth best university course in the nation by *PGA.com*.

**Do you know what a
perfect golf shot looks
like in your brain?**

Here's how a perfect golf shot looks in a brain imaged by the world's most powerful scanner at **3.0T MRI at Belfair** in Bluffton. Finally, your neurologist can see the astonishing level of detail in individual nerve fibers that interconnect vital brain regions. The **3.0 tesla magnetic field** at 3.0T MRI at Belfair is 2-10 times as powerful as any other MRI scanner in the region and the gold standard at the top teaching hospitals.

Other Revolutionary Advances:

Silent Scan Technology

No jackhammer noise

Significantly Shorter Scan Time

5-15 min. vs 30-60 min.

Safe Scanning of Joint Replacements

Your orthopedic surgeon's dream

Since opening in 2002, only on-site MRI specialists have supervised all scans. Founder and Medical director A. Joseph Borelli, Jr., MD, is a nationally renowned radiologist who was selected by his peers to develop the national MRI quality and patient safety standards for Medicare.

Greening the RBC Heritage

Committed to environmental sustainability, RBC, the Heritage Classic Foundation, the Sea Pines Resort and our suppliers have implemented a number of environmental programs for this year's tournament.

Reducing waste

- Over 100 recycling receptacles and Big Belly solar-powered waste compacting units are available to help reduce the amount of waste being sent to local landfills.
- Concessions will be served in compostable or recyclable food packaging, avoiding Styrofoam with condiments served in bulk where possible.
- Unused food will be donated to Second Helping, a local organization that collects and distributes food to agencies serving the disadvantaged.

This is a carbon-neutral event

- This event is powered with Green-e certified renewable electricity, courtesy of Palmetto Electric Cooperative.
- Greenhouse gas emissions associated with the use of diesel generators and event vehicles will be neutralized through the purchase and retirement of high quality carbon offsets.

Sustainable transportation

- Harbour Town Golf Links is accessible by bicycle, and racks are located within walking distance of the Harbour Town Clubhouse.

Environmentally responsible golf course operations

- Since 2006, Harbour Town Golf Links has been certified as an Audubon Cooperative Sanctuary. Less than five per cent of US golf courses have this prestigious environmental designation.

How to be a Green Fan

Here are a few tips on how golf fans can help make the RBC Heritage an environmentally responsible event:

- Think before you toss – do not mix recyclables with regular garbage by using properly designated bins.
- Travel the better way – carpool, bike or walk to the event to help reduce harmful vehicle emissions.
- Watch your step – Harbour Town Golf Links has been certified as an Audubon Cooperative Sanctuary and many of the vegetative features, surrounding wetlands and lagoons, are important wildlife habitats and help protect water quality.
