Gov. Haley:

The following request is made under the S.C. Freedom of Information Act.

Please provide me with copies of all records that reflect the number of actual jobs created to date out of the approximate 20,000 jobs announced during your tenure as governor. My request includes, but is not limited to, all records specifying the name and location of the company, and the number of employees by company receiving paychecks as of the date of this letter.

I would like to request a waiver of any fees for this request. Disclosure of the requested information is in the public interest because it is likely to contribute significantly to public understanding of the operations and activities of state government, and is not in our commercial interest.
