After a successful Automotive Summit, the SC Automotive Council continues the momentum and partners with OESA, the Original Equipment Suppliers Association, for a Supplier Roundtable at CU-ICAR, Clemson University International Center for Automotive Research.

### SCAC/OESA Supplier Roundtable

Thursday, May 15 at CU-ICAR

Save the Date for a deep dive into Supply Chain Development issues at the SCAC/OESA Supplier Roundtable with notable speakers and panel discussion:

**"Issues Impacting the North American Supply Chain"**

Only **members of SCMA or OESA** may attend and space is limited. Registration for this event will open soon. Please contact Catherine Hayes for **Sponsorship** opportunities.

### Auto Summit 2014

Results from February 18-20, 2014

With record attendance, dynamic speakers and **Morning Joe with Mika** culminating the conference, we have begun planning for Auto Summit 2015.

Please take 3 minutes and let us know what you think we should keep, what we should scrap and what we should add to improve the program. [Auto Summit 2014 Survey](#)

## Legislative Update

SCMA News

SCMA tracks critical legislation that may impact SC manufacturers and the automotive industry. Of particular note is bill H.4604, related to an exemption for Engineer licensure requirements for employees of manufacturing companies.

To stay abreast of legislative issues that may impact your company, contact me about [SCAC/SCMA Membership](#).
