Hi Christian,
I just heard from Site Selection magazine that they are in need of this photo by tomorrow. I wish I had more notice – but it is what it is. They just reached out to me today. So just checking in with you per my message below and to see what you might suggest.
Warm regards,
Debra

Hi Christian,
I am thinking a photo of Gov. Haley and me could be most helpful for this story.   And I'm uncertain if you'll be able to locate one. So - I'm wondering - if her schedule permits - if you think it could be helpful for me to visit Columbia to obtain if one cannot be located. I'm trying to find out from the magazine what that due date is for this photo. But I'm thinking the timing is rather short. So – touching base with you to see if a visit to South Carolina perhaps tomorrow for this photo may possibly work with the Governor schedule. What do you think?
