Hi Katherine. I hope all is well. The Governor did a super job on the SOTU response, made us all proud. As you may recall, I am splitting time between DC and Bluffton. One of my DC clients is America's Health Insurance Plans (AHIP) which represents health insurance plans. They hold an annual health policy summit in DC. They would like to invite Governor Haley to keynote on Thursday, March 10 at 900-945 am. It will be a national audience of 300+ and press is invited. The link to the event can be found here: <https://www.ahip.org/Policy2016/>.

Can you help me discern if the Governor is available and interested. If so, I would be happy to help brief you on the topics that they could be addressed.

Look forward to hearing back from you. Thanks-Chris
