Katherine,

I do not see arrival of USC Chorus, Children's Chorus and their sound checks on the operations schedule. There will need to be a "sing through" of the Hallelujah Chorus by the combined Benedict and USC Choirs. It needs to happen at approximately 5:05-5:15. (not that whole time) It can serve as a partial sound check for the choruses, though we will still need a sound check for each chorus as they all perform individually. These will be brief but are extremely important.
