Office of the Governor

RECORDS REQUEST

Dear Records Request Officer:

Pursuant to the state Freedom of Information Act, I request access to and copies of emails sent from or received by the Office of the Governor to or from Bob Perry, owner of Perry Homes, between January 1, 2009 and March 19, 2012. I request access to and copies of emails sent from or received by the Office of the Governor to or from the [perryhomes.com](http://perryhomes.com) domain between January 1, 2009 and March 19, 2012. I request access to and copies of records of meetings between the Office of the Governor and employees of Perry Homes between January 1, 2009 and March 19, 2012. I request that any such copies be furnished to me electronically.

For the purposes of assessing fees related to this request, please take note that I am a journalist working as a reporter for The Huffington Post, a national online newspaper that serves roughly 36 million readers each month, and that this request is made as part of a news-gathering effort and not for commercial use.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the act. If possible, please communicate any responses to this request via electronic mail or telephone.

Thank you for your assistance.

Sincerely,  
Matthew Sledge
