Given this response, I'm OK with us signing onto to the UTC letter, although I think we'll probably want to edit it a bit.

Christian,

Thank you for your call earlier. I have spoken with Dr. Nadim Aziz and he has indicated the following answers to your two questions:

- 1) The language of the letter only needs to indicate the same spirit of the letter that was drafted for your review.
- 2) There are no future obligations of the state associated with the receipt of this grant should Clemson be successful in securing this designation and funding.

Again, thank you for your work on this and your consideration of this request. Please call me if you have any questions.

Thank you, Angie

Angie,

Tim Pearson asked me to vet the UTC letter - can I call you with a couple of brief questions on it? Thanks.
