### **Info They Need. . . When They Need It!**

<http://hughesbusiness.hughes.com/rs/hughesnet2/images/franchise2-divider.jpg>

Dear Nikki,

**Your visitors need information** – be it details on happenings and events, answers to FAQs, directions, instructions, or even news and weather. But they're not the only ones, **your employees need info too!**

#### **HughesON™ Digital Media Solutions**

<http://pages.myhughessolutions.com/a0000i03ZV0k00YACMF719u> has the answer. . . An easy and affordable way to convey customized dynamic and engaging content to all who need it!

With **Hughes Digital Media Signage**, you can network guest-oriented kiosks and digital screens across your agency, then **customize each screen to meet the unique needs of visitors and employees alike!**

### **Delivering the Information They Need. . .**

- 

Mix and match **video, text, third-party, or web-based content and feeds**

- **Incorporate custom apps and social media tie-ins** to promote events, programs or deadlines
- Tailor communications **by location or across all of your sites** simultaneously
- Instantly broadcast **emergency notifications**

## **Serving Citizens Better, More Efficiently**

Learn how Cherokee Nation uses a Hughes Digital Signage network in schools and government buildings to better serve its citizens.
