Governor Haley,

My name is Kyle Rochin McLaughlin.
You autographed some photos for my
collection, and I expressed my support
to you for your political future. It
is an honor to be able to write to
you. I am confident you are our
46th President of the United States.
Sorry about my handwriting, I feel it
is more personal to write rather
than to type. You are a role model
to all Republicans! I am now working
for the Houston Astros as a rising
sophomore in college! I am truly
blessed! Hard work pays off.
I look forward to your response.
Come out to Houston for a game! Sincerely,
Kyle
