Subject: Need your help ASAP

The Governor is receiving a large number of media requests to do a post legislative analysis of accomplishments. This needs to include Cabinet successes since the process isn't just legislative.

Please send me the top two or three accomplishments for your agency. I need this by 5:30 today. Examples are DJJ's release from a 13 year court order, Commerce being 3/4 of the way toward the annual investment goal, etc.

Call me with questions.
