Sure – I am on the road – but could we do a call Friday – say about 1pm?

Let's discuss along with venue. Can you meet or do a call this week or early next?

KV – this Patrick Davis fella is stalking me 😊 here is a link to his music.

Originally, his proposal was about \$12k. Told him that was way out of our budget. I think he really wants to come to the tourney so willing to give us a break in price. Thinking if we wanted him we could get him for around \$3,500. I think he would work if we went with amore causal event (beach club, oyster roast) but if looking at a 'cocktail' party – don't think he would be a good fit.

Either way, I wanted to let him know yeah or nay Your thoughts?

What is the date?

And how close do u think u can get to \$5k? It is still below my regular rate and little outside my comfort zone... but I think it would be fun & I know I could do a really nice dinner music deal just for you guys (once again not something I normally do :))...

And with this being right after Monday After the Masters I will be in SC already :)

Thanks so much.
