

1) Hello Governor Haley,

July 13, 2015

I first want to thank you for your great service to our state. Not many people thought a lady could have accomplished what you have. I personally hope for a female President.

I did not totally agree with the flag coming down. The flag didn't kill anyone.

If you remember the photo that sparked everything, the kid also had a Golds Gym T-shirt on. And nobody is trying to close down the Gyms.

I was not brought up a racist, I treat everyone the same. Even when I know someone is doing me wrong. I was tricked and lied into this prison sentence. I'm not bitter, but very disappointed. My main reason for this let is to complain about the speed in which the c took place, to bring down the flag. It seems y with all the homeless and hungry people in our state. That more could be done for them c faster.

I also happen to have been reading the mission statement for the DOC, that's in my Legislative Manual. About providing humane treatment, given opportunity, encouragement and

Training in the matter of reformation.

Here at Turbeville Prison, there have been a few scandals involving staff- stealing funds, yet they still work here.

And we have (1) vocational trade here now, Carpentry. Which if your not a Youthful Offender, you cannot get in. The Federal Gov. gives SC. \$50000 for each youthful offender enrolled. Even if he does nothing but draw or Rap all day like they did in the Electrical Class I taught. Many of us Straight timers would like to learn a trade. I'm a Chef by trade. I would be willing to give 1/2 of any monies I would make to a homeless center in my area. I have tried to get to Tiger River CI, to work Prison Industries

They pay minimum wage. If you can help me get there to start work. I'd be happy to give back 1/2 to the community.

I meet all requirements.

Again, Thanks for all you have done, too bad you can't go another 8 years.

Sincerely

Ron Brewer
