No we are not but here is the statement from our office.

Quote from Chaney Adams, Haley press secretary, "Protecting our most vulnerable citizens - children - is our most important mission, and Susan Alford, who has spent her entire career as a child advocate helping families in need, understands that. Susan Alford is passionate about the children she serves, she understands what it means to lead and motivate, and we're glad she's on the job."

Hi Chaney,

I hope you are doing well. Can you tell me if the Governor's Office is planning on sending out a release concerning the confirmation of Susan Alford as the new Director of the Department of Social Services?
Thanks. - Rob
