Importance: High

Good morning, John,

Just checking to see if there is an agenda or materials that were sent for this meeting tomorrow. Provost Dori Helms will be attending for Clemson since President Barker is on medical leave. She is currently serving as the Chief Executive.

Thank you.

Sandy

Subject: Invitation from Governor Haley

University Presidents,

Governor Haley is inviting the Presidents of South Carolina's public colleges and universities to meet with her at the Governor's Mansion on Tuesday, March 19, 2013 at 10 a.m. The proposed agenda includes our ongoing efforts to establish an accountability-based funding (ABF) model for higher education, along with the need to provide regulatory relief for your institutions.

Later this month, the Chairmen of the House and Senate Education Committees will be hosting a symposium on ABF, in association with the Southern Regional Education Board. The Governor would also like to use next month's meeting as an opportunity to reflect upon the insights we may gain from that event.

This invitation is solely for the Presidents and should not be extended to alternate attendees. Please reply to me at 803.734.5086 or JohnCarroll@gov.sc.gov by Wednesday, February 27. Thank you.

John Carroll

Director of Boards and Commissions
