RE: Debris Removal from Private Roads and Gated Communities

Dear Mr. Hemingway:

The South Carolina Emergency Management Division (SCEMD) is in receipt of your letter, dated October 12, 2016, requesting Federal reimbursement for debris removal from rights of way in gated communities and private roads. SCEMD supports the County's request, and will forward to FEMA for consideration. As in all other non-federal expenses, the applicant is responsible for providing the funds for any eligible work.

Our team will continue to work with the County to assess the impacts of Hurricane Matthew, and will support its recovery efforts to the fullest extent possible. Please feel free to contact Allen Fountain, State Public Assistance Officer, at (803) 413-5242 with any questions or concerns.

Sincerely,
