Consent Agenda  
 A) FY12 SCDPS  
 Highway Safety  
 Grant  
 B) State Criminal  
 Alien Assistance  
 Program  
 C) Town of  
 James Island  
 Request for  
 Services

The Chairman announced that the next item on Council's agenda was the Consent Agenda.

Mr. Summey moved approval of the Consent Agenda, seconded by Mr. Rawl, and carried.

The Consent Agenda is as follows:

A report was read from the Finance Committee under date of February 24, 2011 that it considered the information furnished by Allen O'Neal, County Administrator, and Charleston County Sheriff J. Al Cannon regarding a request to apply to the S. C. Department of Public Safety's (SCDPS) Office of Highway Safety (OHS) for a grant to combat driving under the influence (DUI) in Charleston County. It was shown that Charleston County experienced two hundred eighty six (286) DUI related collisions in 2009, and thirty seven (37) per cent of traffic related fatalities in Charleston County were determined to be DUI related, with the majority occurring on County secondary roads. It was stated that the purpose of these funds would be to create a designated DUI Enforcement Team within the Sheriff's Office.

Committee recommended that Council:

1. Approve application submission for the FY 12 Highway Safety Grant Program in the amount of \$283,000, with the understanding that the grant period runs from October 1, 2011 through September 30, 2012, and that no match is required under this grant.
2. Approve two grant funded FTEs along with 2 vehicles, with the understanding that at the conclusion of the grant period, the County is under no obligation to retain these positions after the grant period has expired.

A report was read from the Finance Committee under date of February 24, 2011 that it considered the information furnished by Allen O'Neal, County Administrator, and Charleston County Sheriff J. Al Cannon regarding a request to accept an award in the amount of \$185,959 from the Bureau of Justice Assistance (BJA) for funding under the State Criminal Alien Assistance Program (SCAAP). It was stated that the purpose of this program is to provide financial assistance for the costs of incarcerating certain criminal aliens because of state or local charges or convictions. It was shown that there is a formula program based on the number of inmates detained and costs incurred, and the actual award is calculated by multiplying the total number of qualifying aliens incarcerated in the Detention Center times the number of days served times the current per diem rate.

Committee recommended that Council allow the Charleston County Sheriff's Office to accept the award in the amount of \$185,959 from BJA under the SCAAP in order to allow the Charleston County Sheriff's Office to defray the Detention Center's personnel and operating costs associated with illegal alien detainees, and with the understanding that:

1. No match is required for this grant.
2. There are no FTEs, vehicles or recurring costs associated with this request.
3. There is no grant period or end date for expending these funds.

A report was read from the Finance Committee under date of February 24, 2011 that it considered the information furnished by Allen O'Neal, County Administrator, and James Neal, Director of Public Works, as well as the request received from W. W. Woolsey, Mayor of the Town of James Island, for the Charleston County Public Works Department to perform recurring maintenance on James Island's public earth roads under the provisions of the Charleston County Support to Municipalities Policy. It was shown that the Town's requested activities include grading, shaping, vegetative cut back, and filling minor holes and washouts. It was further shown that the Town does not have the necessary equipment and personnel to perform this work themselves. It was stated that the maintenance request is only for the Town of James Island's public earth roads, and that the Town will pay a fully-burdened, cost-reimbursable rate in compliance with Council's Directive #08-35.

Committee recommended that Council authorize the Public Works Department to maintain the public earth roads in the Town of James Island as a reimbursable service to the Town, with the understanding that:

1. The Charleston County Public Works Director will determine when labor and equipment are available to perform the maintenance activities, and
2. The Town of James Island will pay the fully-burdened cost of the work.
3. The funds received will be included as income to the General Fund budget and will be available to offset the Department's expenses.

FY 2011  
County Budget  
Ordinance  
A) Request to  
Amend  
B) Ordinance  
1<sup>st</sup> Reading

A report was read from the Finance Committee under date of February 24, 2011 that it considered the information furnished by County Administrator Allen O'Neal and Mack Gile, Budget Director, regarding needed changes to the Charleston County FY 2011 County Budget Ordinance #1646. It was stated that the proposed use of the General Fund's balance from FY 2010 in the amount of \$9.7 million would be used as follows:

\$1.0 million for Workers' Compensation  
\$1.1 million for the Voluntary Retirement Incentive Program II  
\$5.4 million for Capital Improvement Plan  
\$2.2 million for equipment replacement in FY2012.

In addition it was stated that the proposed use of \$270,000 fund balance from other funds would be used for the Voluntary Retirement Incentive Program II.

Committee recommended that Council:

1. Approve the revised Capital Improvement Plan.
2. Approve and give first reading to an Ordinance amending Charleston County FY 2011 Budget Ordinance.
3. Authorize the proposed use of \$270,000 in fund balance from other funds for the Voluntary Retirement Incentive Program II.

Mr. Summey moved approval of Committee recommendation, seconded by Ms. Johnson, and carried

An Ordinance amending the 2010-2011 County Budget Ordinance was given first reading by title only.

### AN ORDINANCE

**TO AMEND THE 2010-2011 BUDGET ORDINANCE NO.: 1646, TO PROVIDE FOR THE INCREASE OF CHARLESTON COUNTY'S OPERATING BUDGET BY APPROPRIATING AN ADDITIONAL \$7,810,000 FOR THE FISCAL YEAR BEGINNING, JULY 1, 2010 AND ENDING JUNE 30, 2011, HEREINAFTER REFERRED TO AS FISCAL YEAR 2011; TO PROVIDE FOR BUDGETARY CONTROL OF SAID APPROPRIATIONS BY THE COUNTY COUNCIL AND THE COUNTY ADMINISTRATOR AND OTHER MATTERS RELATED THERETO.**

Trident  
Technical  
College/  
Consolidated  
Dispatch

A report was read from the Finance Committee of February 24, 2011 that it considered the information furnished by Allen O'Neal, County Administrator, and Mack Gile, Budget Director, regarding advanced funding of Trident Technical College (TTC) expenses. It was stated that TTC staff has advised the County that an architect has been selected and expenses will begin to be incurred before the County can issue the \$18 million bond for the TTC nursing building. It was further stated that Staff was seeking authorization to transfer \$813,000 from the Consolidated Dispatch Project budget so that the invoices can be paid from capital funds on hand and then be reimbursed from TTC bond funds when received later in the summer.

Committee recommended that Council approve the allocation of \$813,000 for Trident Technical College Nursing Building from Consolidated Dispatch Project to be repaid from \$18 million borrowing in the Summer of 2011.

Mr. Summey moved approval of Committee recommendation, seconded by Mr. Rawl, and carried.

Public  
Forum

The Chairman asked if any Member of the Audience wished to address Council.

Mr. David Coe of James Island spoke on the following subjects:

1. Yachts avoiding personal property taxes
2. Eliminating plastic bags for yard waste
3. Salaries of County Officials
4. Cell phone uses

Council Member Darby said that Mr. Coe was the voice of the “unknown” and asked how Mr. Coe’s concerns should be addressed by County Council. He added that no one should be able to circumvent the system.

Chairman Pryor said that some of Mr. Coe’s concerns regarded Elected Officials and that Council has no authority over these parties/Departments, and that any changes must come from the Legislature.

The Chairman asked if any Member of Council wished to bring a matter before the Body.

Mr. Rawl expressed his appreciation to County Staff for all they do for Council and the Public.

There being no further matters to come before the Body, the Chairman declared the meeting to be adjourned.
