Hey,

Have you'll had a chance to look at this and make changes? We're hoping we can have it by COB today so that we can get the certificate to Corrections to frame. Let me know. I'm traveling this morning but will be back this afternoon. I'll be available by cell if you need to call.

**Doug,**

**Great meeting you the other day. I know James Richter is working with you on the press release information. I'm glad I could pass that one off. However, we will be providing the county (and all counties who meet their goals) with a large poster board acknowledging their accomplishment but Christian also wants a framed certificate for the photo-op. We are going to do something similar to the below and I've also included the size dimensions.**

**I'm attaching a draft of a certificate that a colleague created for me. I'm not even sure that the language in the certificate is anything the Governor would actually sign. Can you please have someone in your shop revise, re-**

**write, whatever, to your standards?**

**We'd also like to add the gold embossed sticker under the signature. Thoughts?**

**Thanks. EK**
