**Subject:** Arun Agarwal / Alok - Request for a Brief Call

Hi Nicole,

My name is Charmaine Ratcliff and I am the Executive Manager at Alok International, based in Dallas, Texas. There is a scheduled meeting during the governor's upcoming trip to India where Governor Haley will be visiting our Mumbai office. Our CEO, Arun Agarwal, has requested a brief conference call with the governor prior to her leaving to touch base regarding the meeting. I know the governor's schedule is extremely busy but wanted to touch base to see if there was any way to schedule a brief conference call chat between Mr. Agarwal and the governor. The governor has met with Mr. Agarwal on numerous occasions and knows him well, one event was even in Mr. Agarwal's home.

Kindly let me know if you need any additional information in order to schedule. I look forward to hearing from you soon.

Thanks and best,  
Charmaine
