K –

This is the email I mentioned the other night –

I think they are just looking for a letter from the Governor – not all the parties who signed the Darlington letter, but will confirm.

If you think this is do-able, I will be happy to send over a draft letter for your review.

**Subject:** Governors' Letter Of Endorsement

Duane, sorry to hear you will miss Sponsor Day....you will be missed at the session and on the links. I have attached a letter of endorsement for the Darlington Raceway that came out of the Governors' office back in March of 2011 to all the S.C. Business Leaders. We are certain that there was a cost to Darlington for the printing and mailing of this endorsement. Even with RBC and Boeing committed through 2016 we still need to be in the forefront of the S.C. business community in regards to the economic impact created state wide by the tournament. We cannot take it for granted that they will be around after 2016. What can we do to get this type of endorsement circulated in the state. Just thinking of ways to keeping the Tradition alive for many more years to come. Any insight is appreciated. Best regards,

Bill Wagner, *Sales Director*
