Columbia, SC 29201

Dear Governor Haley,

Congratulations on your re-election! On behalf of The Boeing Company, we look forward to continuing to work closely with you on issues of mutual interest in South Carolina.

For nearly one hundred years, The Boeing Company has been at the forefront of aviation, supporting airlines, government customers and international customers around the globe. As the world's pre-eminent aerospace company and leading manufacturer of commercial aircraft and defense, space and security systems, Boeing and its extensive supply base represent an engine for economic growth for communities across the United States. Boeing and its subsidiaries have over 157,000 employees working in all 50 states, supporting an additional 1.5 million supplier-related jobs across the country. The aerospace industry continues to lead the U.S. when it comes to the export of manufactured goods, generating an aerospace trade surplus of more than \$70 billion last year. As one of the Nation's largest exporters, Boeing will continue to create and sustain high quality jobs at small, medium and large businesses nationwide.

We are excited about the future and continuing to work with you in the years ahead. Please do not hesitate to contact me or Jennifer Lowe, Boeing's Vice President for State and Local Government Operations, at (703)-465-3689 if we can be of any assistance. Again, congratulations on your re-election!

Sincerely,

Tim Keating
