Subject: Verification of Employment - 2017040048

Good afternoon,

Can you please provide me with a contact name and number/email for someone I can contact for verification of former employment? The purpose of this verification is for a regulatory background check relating to insurance licensing. I do have the individual's signed release authorizing my company – Heartland Investigative Group – to obtain this information for this purpose.

Please let me know if you have any questions, thank you!

Warmest regards,

Kalynn Ristvedt
