Values in action

"Everything I do today as secretary of labor is built on a foundation of what I learned in Buffalo," says Secretary Perez, who returned to his hometown this week. His goal? Inspire future generations and encourage good neighbors working on important issues like [paid leave and job training](#).

#LeadOnLeave

All across the country, momentum is building for sick paid leave. [Vermont just passed legislation](#), and employers increasingly find that providing paid family and medical leave is good for their bottom line, lowers turnover and improves productivity.

Pathways to success

Young people like Amairani, Avery and Neuman want a chance to succeed, and they're willing to work for it. Learn how youth employment programs [equip the next generation](#) with the skills they need.

Blog Highlights

MSHA's birthday

The Mine Safety and Health Administration was created 38 years ago. Since then, mining deaths are down dramatically.

Gig work

To help us get a better picture of our changing economy, the Bureau of Labor Statistics will be measuring "gig" work.

6 for 6

Following the latest jobs report, here are six things you should know about six years of job growth.

DOL Working For You

Pancake server's tips pilfered

Michigan pancake house server Erica Campbell knew something wasn't right when new management began requiring staff to give some of their tips back. We were able to recover more than \$9,000 for her in back pay and damages, and thousands more for 117 other workers shorted by illegal pay practices.
