Hi all,

Robert Faturechi here with ProPublica. I would like to file the following public records request:

Please provide all emails between Gov. Haley, her chief of staff and her deputy chiefs of staff and anyone with an email address ending in @state.gov or usun.state.gov since January, 2012.

Please also provide any emails sent to or received by Gov. Haley, her chief of staff or her deputy chiefs of staff that include the phrase "United Nations" since November 1, 2016.

Please let me know if you have any questions, or if I can amend my request to make it easier to handle.

Thank you.
