The Honorable Nikki R. Haley  
Office of the Governor  
1205 Pendleton Street  
Columbia, South Carolina 29201

Dear Governor Haley,

I just wanted to say a big **THANK YOU** for all you are doing for our country. You are appreciated.

Like you, I was a staunch Marco Rubio supporter. Due to the liberal Democratic threat to our country, I now support Donald Trump.

Please consider the benefits of a strong endorsement for Donald Trump—party unity, the future well-being of our country, etc. We cannot afford four more years of liberal Democratic policies.

Thank you.

Sincerely,

*Howard Ballentine*
