Subject: For our mom

Hi,

This Mother's Day we wanted to tell you how proud we are of our mom.

She may have an extremely busy job, but she always finds time to spend with us. She knows that to be a good Governor, she has to be a good mom. From helping us get ready for school, to attending sporting events, and of course Haley family fun nights, she never forgets that she's our mom first.

That's why we wanted to ask you if you would help us wish her a Happy Mothers Day. [Just click here and leave her a message on her Facebook page.](#)

We know that she loves hearing from people all across South Carolina, and for Mothers Day we want to show her how many people agree with us that she's doing an awesome job.

[You can leave her a message on her Facebook by clicking here.](#)

Thank you!

Rena and Nalin Haley
