Yes, it passed unamended, though some members made a valiant effort. It is unlikely that S. 107 will move at all. The best chance of addressing the Office on Aging will be in separate legislation, though I cannot speak to the intent of anyone. I'm not sure which Chip you are referring to.

Hey Catherine - looking at the journal from yesterday I see h.4977 received third reading unamended. Is that correct? Also, I just heard that Chip has offered legislation or is planning to amend s.107 dealing with removal of the Lt. Governor – do you know if today's action deals with the Office on Aging?
