I think that this looks fine, and yes I think Columbia needs to change to Anderson. Let me know what is next.

Subject: Ethics Agreement with SLED

Good Morning,

Attached is a draft ethics agreement to be entered with SLED. Please do not sign this version. I want to allow you both to make any comments before I reach out to SLED and Ethics to get their feedback and hopefully agreement.

The majority of the changes from the version that Nikki Haley had in place are to reflect the difference in the level of coverage provided to the Lt. Gov vs. the Governor, or to correct Governor's Office to Lt. Governor's Office.

You will also see my notes/questions in red.

Please let me know your thoughts.

Best Regards,
