## South Carolina State Parks

at 23:30:00 on 8/12/2019 UTC · 🌐

What an EXCITING sea turtle season at Edisto Beach State Park! The Turtle Patrol found nest #350 over the weekend! The nest was not previously discovered, but was detected due to all of the hatchling tracks that emerged from this area and headed towards the ocean. This crawl would have initially been called a false crawl but how exciting that it turned out to be a nest! We will conduct the nest inventory to determine the success of this nest in 3-5 days. During the inventory we count the hatched eggs, unhatched eggs and sometimes find live hatchlings that got stuck below. We run public nest inventory programs on Wednesday and Friday evenings at 6:30 p.m. We meet at the office in the day-use area of the park. Join us to learn more about our turtles and the possibility of seeing a hatchlings.

Will the Edisto Beach State Park find any more nests before the season ends? Stay tuned to find out! <https://southcarolinaparks.com/edisto-beach>

**Kimberly K. Leipold** Keri Wells!!!

at 1:09:19 on 8/13/2019 UTC

**Laura Fin** Christine Olson ok. I'll see what we need to do.

at 1:40:52 on 8/13/2019 UTC

**Susan Richards** We saw hatchings at Edisto last week!

1st time ever:)

at 2:23:07 on 8/13/2019 UTC

**Annisa Morrison Martin** I couldn't believe how many turtle nests there were at Edisto this year! 🐢❤️

at 3:23:08 on 8/13/2019 UTC

**Audrey Smith Ateca** Does that mean there were 350 nests on Edisto?

at 3:41:11 on 8/13/2019 UTC

**South Carolina State Parks** 350 nests on Edisto Beach State Park

at 13:53:51 on 8/13/2019 UTC

**Ronda Kosmos** My favorite beach!

at 18:32:07 on 8/13/2019 UTC

**Sheila Redd** I SEEN HATCHING LAST YEAR. SO LOVE THIS
