Call me so I can explain to you what Debra and I talked about this morning. I was going to call you, but I left my phone in the car.

Thank you

Wanda,

I got a call just now from Representative Harry Ott asking me if the temp from my office Latoya Rowe was back in my office yet? My response to Mr. Ott was no. He said he spoke to Ms Adams on yesterday asking her to bring Latoya Rowe back and allow Hope Riggins to stay in Santee on Tuesday and Thursday. Mr. Ott can be reach at 803-682-3619
