Subject: OPM: Multi-State Plan Program Webinar - Wednesday December 19 at 2:30pm ET

Dear Colleague:

On December 5, 2012, the U.S. Office of Personnel Management (OPM) published a Notice of Proposed Rulemaking (NPRM) to implement the Multi-State Plan Program (MSPP). These health insurance plans, known as Multi-State Plans (MSPs), will be among several health insurance options that will be offered on the Affordable Insurance Exchanges from which individuals and small employers will be able to choose.

OPM is hosting a webinar on Wednesday, December 19, 2012 at 2:30pm ET to provide an overview of the NPRM.
