I'll hold off on legislator and staff recommendations until we have the draft EO and backgrounder for policy justification for this transition.

All,

David and I met with Christian and Ken Wingate (First Steps Chair) yesterday to talk through the transition of BabyNet from First Steps to HHS. After we receive the final EO from HHS and the Governor approves it, we need to coordinate on rollout process – timing, how, etc. Ken, Christian and our office will also need to give a heads up to appropriate legislators, certain First Steps staff, and FS Board. We all felt it was appropriate to give the heads up the same day as the rollout.

I expect the press office and leg office will need topline and background to share to include legal and policy justification for this transition.

Rob – let us know when you think we should release the EO. I was thinking sometime next week.

David and Richele – please work with Christian on the topline and backgrounder for press and legislators.

KV – let us know which legislators/staff you plan to contact. Christian – let us know which legislators you were planning to contact.

Let me know if I'm missing anything.

Thanks,
Swati
