I know how busy you all are this week, but we wanted to run something by you.

After several decades, the legislature has finally passed an Agritourism and Tourism Oriented Signage Program bill.

The bill directs DOT to create and supervise a statewide program providing directional signs to agritourism and tourism oriented facilities.

The bill has the support of SCDOT, SC Department of Ag, SCPRT, the SC Assoc. of Tourism Regions and the SC Travel and Tourism Coalition.

Would the Governor be interested in doing a public signing of this bill?

If so, just give me a call and we can do whatever you need to work out the details.
