Subject: Re: Proclamation Request--Kids to Parks Day 5/17/14

Governor Haley,

We are excited to celebrate our 5th annual Kids to Parks Day on **Saturday, May 16, 2015** and invite South Carolina to join us for this national movement that engages children and families with parks, nature, and healthy outdoor play. Please consider proclaiming May 16th as Kids to Park Day.

Kids to Parks Day is an annual nationwide day of play organized by National Park Trust. The goal is to engage kids across the country with parks and public lands to promote environmental stewardship and healthy outdoor living. Equally important, the national grassroots initiative has been designed to help teachers, especially those in underserved communities, to introduce parks and public lands to their students and their families. KTP Day offers students from urban and rural communities the opportunity to participate in hands-on environmental education, while providing health and wellness through outdoor recreation.

Thank You,

Collin Knauss
