The Put Down The Guns Now Young People Organization will host a press conference Monday February 22 2016 at 4:30 pm at 610 Congaree Road at Club Element. We will be asking Attorney General Alan Wilson to shut down all night clubs in South Carolina until the business hire all Sled certified officers only to secure clubs. Learning this morning from social media regarding people shooting in Club Element last night enough is enough. I witnessed myself at Club Laroka of bouncers selling dope in the parking lot and not searching their homeboys. We are trying to prevent someone from losing their life. With clubs having certified officers this will reduce gun violence and drugs in the club. Jack Logan [8643031030](tel:8643031030) <<tel:8643031030>>
