Hello Kevin,

MarketAxess reached \$10+ billion municipal bond traded volume in 2018! This is a key milestone that emphasizes the growing adoption and the benefits of e-trading as a source of liquidity that improved pricing and trading efficiency. Please join us for a discussion on electronic trading growth and vision.

Agenda:

- Hear about how the municipal bond community has been adopted electronic trading and the Open Trading™ platform.
- Learn about new ways to execute your taxable and tax-exempt bonds
- Benefit from tips, facts, and used-cases on how to leverage electronic trading to access unique liquidity and increase trading efficiency.

This discussion will be with John Gallagher, Head of Municipal Bonds and U.S. Investment Grade Product Management and Hardy Manges, Head of Municipal Dealer Sales. It will be monitored by John Hallacy, Contributing editor at Bondbuyer.
