Katherine,

The Summerville Chamber has still not heard anything from anyone in the Governor's office about the request to have the Governor join them Oct. 8th for the event marking the start of the tourism campaign for the "Sweet Tea Trail".

I, and the Chamber, understand that she is busy. But they also need an answer so they can move forward with their plans. Can you please encourage the scheduler to provide an answer one way or the other?

Thank you,
