Dear Lieutenant Governor Bryant,

Thank you for your call concerning my current situation. I graduated from T.L. Hanna High School in 2010 and started college a year early. After falling in with the wrong crowd and a few bad decisions, I ended up in several years of drug abuse. Now, with almost 2 years of sobriety, a completely renewed life, and an unwavering faith, I wish to fulfill a strong sense of calling by joining the South Carolina National Guard in a medical role. Presently, I am in school working toward a BSN. Unfortunately, a finger print check revealed 2 counts of Loitering in a Drug Area from several years ago - charges that completely slipped my mind. As a result, the enrollment process with the Anderson recruiting office has been stopped. At that point in my life, I simply paid the fines and moved on, not realizing the effect it would have on my future. I am writing you to see if anything can be done to help me move past these forgotten charges and continue in the enrollment process for the Guard. I am in the process of finding out how to get these charges removed from my record. You have my complete permission to contact the National Guard on my behalf. Thank you for any assistance you can offer as I seek to fulfill this passion and continue my family tradition of serving my country through the National Guard.

Sincerely,

Catherine R. King
