Janet,

You should schedule an evening flight out on Wednesday. We will need the full day on Tuesday and Wednesday to meet with Senators. We will focus on those on the screening committee and Senate Transportation over the two days. We can get with the rest when you come back for your committee hearing. After you get screened out there is a costmary three days before they hold the vote on the floor.

Monday morning prep will be enough to prepare you for the press conference. Your answers to all the press questions will be generic and always come back to your experience. The General Assembly isn't in Monday so the rest of the day will be prep with the agency prior to meeting with any Senators.

Ted – I am planning to book my flights this evening or tomorrow. I intend to fly in Sunday, April 7 and return Wednesday, April 9th but have 2 questions for you --

1. Do you believe that Monday morning's preparation will be enough? I can be available Sunday afternoon if you think that more time might be needed.
2. Will there be time on Wednesday to meet with Senators? 46 is a large number! I can schedule an evening flight out of Charleston.

Once I hear from you, I will make arrangements.

Thanks so much, Janet

Right now we are holding Monday April 7th at 2pm for a press conference.

We will do prep that morning and spend the day Tuesday visiting Senators.

We will stay in touch. Let me know your questions.
