Hi Chaney –

I understand you are swamped with requests right now, but I wanted to follow up to see whether we can set up a short time to connect with Governor Haley.

It would be a one-on-one interview with our host Scott Simon and it would be an opportunity for the Governor to reach a large audience across the country.

NPR has more than 26 million listeners each week, and we would be honored to hear her thoughts and share her story. Please do let me know if you think this is possible. My phone number is 202.513.2372.

Thanks very much –

Best,

Alyssa

Subject: NPR Interview Request - Gov. Haley

Hi Chaney –

I'm a producer at National Public Radio. I'd like to put in an interview request for Governor Haley.

We understand that this is a tragic and chaotic time and her schedule is limited, but I want to stress that we can make this as easy and seamless as possible. Political leaders are incredibly important voices for the public to hear from during crisis, and we strongly that this story would not be complete without her.

The interview with one of our hosts, either Scott Simon or Rachel Martin, would be pre-recorded and edited for air and take about 10 - 15 minutes of her time either today, tomorrow, Friday, or Saturday. Please let me know if you think this is possible, or if there's a better way to put in this request.

Thanks very much –

Best,

Alyssa
