I believe 6:30 will work best so that we have some cushion in between our events, just in case traffic is bad leaving Columbia/entering Charleston. I just spoke with our regional director of the Office on Aging and I do not believe we are going to be able to get someone to staff the tent at this time. Thank you for being so accommodating, but I don't believe we will be able to set up a tent in any official capacity. It is my understanding that the Lieutenant Governor will arrive anywhere between 6:00 and 6:15, and that he plans on staying at the event for a while afterwards. I am advising him to stay for the fireworks because I know how awesome the display is, but that remains to be determined.

Again, thank you so much for your help scheduling this event. Please let me know if there is anything I can do to help moving forward.

Thanks,

Hayden Grooms

Either the 4:30 or 6:30, I can leave it up to your schedule. Just keep me posted.

Thanks,  
Lisa

Not a problem! Thank you so much for getting this information over to us, I am sure that y'all are incredibly busy organizing this event. We are scheduled to be in Columbia into the early afternoon, so what time do you think would be best for the Lieutenant Governor to plan on addressing the crowd? We are working on getting the local branch of our Office on Aging to staff the tent and hand out literature, so I will continue to touch base throughout that process.

Again, thank you so much for providing this information, you have been incredibly helpful. Please let me know if you need any additional information on our end.

Thanks again,

Hayden Grooms

Subject: Lieutenant Governor 4th of July

Good morning,

The 4<sup>th</sup> of July is rapidly approaching and due to our previous conversation, the Lieutenant Governor is planning on being in attendance that day. We had previously discussed the possibility of allowing the Lieutenant Governor a few minutes to speak at the commencement of the festivities and also about the possibility of setting up a booth. Please get back to me at your earliest convenience so that we can discuss all pertinent details, such as things that our security detail will need to know, what time we should be there, and an itinerary for the day's schedule of events.

I look forward to hearing from you.
