**Governor Nikki Haley  
1205 Pendleton  
Columbia, SC 29201**

**Dear Governor Haley,**

**May 27, 2014 has been declared "NATIONAL MS AWARENESS DAY". In an attempt to bring national attention to this disease, which has disturbed the lives of up to 3+ million people worldwide, with more than half that number in our own country, etiology unknown, cure not yet found, the almost 9,000 members of our MS group ask that you, Governor Haley of the State of South Carolina, PROCLAM May 27, 2014 "NATIONAL MS AWARENESS DAY". I have attached a copy of the Proclamation I wrote and obtained from the State of Washington, in 1989, the only real difference today is, the number of people suffering with this disease.**

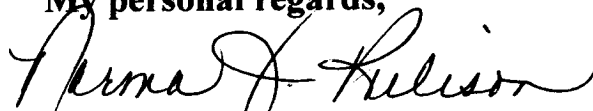

**We ask you, Governor Haley, to join in and acknowledge May 27, 2014 "NATIONAL MS AWARENESS DAY", so that with more direct media exposure to this disabling disease a consorted continued effort could possibly bring about a cure for all those suffering.**

**Thomas Peters is the contact person for your State, please send South Carolina's Proclamation with your Hand and Seal to:**

**THOMAS J. PETERS

**Thank you in advance for helping to continue the movement to find a "CURE" for "MULTIPLE SCLEROSIS", by this PROCLAMATION !**

**My personal regards,**
