position class code - AA.png

The High School diploma or substitute experience is based on this class code (see attached CCF100422017). Looking at SCJobs it looks like there is a similar class code with similar pay but higher education requirements and I pulled to class code information from the DOA site, this looks more appropriate (See attached job description).

Catherine, I have attached the class code. I will send the review to you. \$30-35K is what Danny said for the salary.

Thanks!
